

ASSESSMENT TASKS

Study Skills

Task 1 – Introduction to Information Technology at Otago Polytechnic

To complete this task you will need to complete the assessment for the *Introduction to Information Technology* course at Otago Polytechnic.

Task 2 – Blogging

To complete this assessment task you will need to write a blog post on the about page of your blog. The purpose of this blog post is to describe a few things about yourself, and should include

1. A written description of yourself including
 - Your name
 - Where you're from
 - Where you live now
 - What you like to do
 - Why you are interested in studying massage
 - What you would like to do after you graduate
2. An image which represents yourself

Task 3 – Feed aggregation

To complete this task you will need to use your feed reader (Google reader or other RSS feed aggregation service) from home or from the community learning centres. If you have any trouble accessing this service please send an email to your course coordinator immediately asking for help.

On the Mondays listed in the following table, you must send an email to the study skills course coordinator stating which are the most current feeds in your feed reader for each of the courses you are enrolled in
